

# 2026 UCC Entrepreneur-in- Residence Programme

Connecting Ambitious Researchers  
to Entrepreneurial Expertise

Designed for researchers committed to exploring the commercial potential of their work, this programme provides direct access to UCC's Entrepreneurs-in-Residence, structured guidance, and the power of peer-to-peer support.

The programme will be mentoring 4 groups of 7 (28 researchers in total). Peer groups will be aligned with the stage of commercial development. Each group is limited to **seven researchers** to enable personalised support and deep entrepreneurial insight.

## What you'll get

Your own assigned Peer-to-Peer group of 7 facilitated by an Entrepreneur-in-Residence

Opportunity to access monthly 1:1 sessions focused on progressing your commercial opportunity

# Eligibility Criteria, Requirements

The Entrepreneurs-in-Residence programme is designed for researchers with a innovative concept who want to take the next step to explore how their idea can deliver real economic and societal benefit beyond the university in a commercial setting.

Each group will be represented by one team project member only.

Participants need to be able to commit to:

Attending and contributing  
to 4 x Peer-group sessions  
from 10am-12.30pm on:  
**Monday 23 February**  
**Monday 13 April**  
**Monday 8 June**  
**Monday 5 October**

Be prepared to have regular meetings  
with their designated EIR. The  
availability and capacity of each EIR is  
unique, therefore, requests for a  
specific EIR cannot be guaranteed.  
Identify your most pressing or  
challenging problems.

# Who Should Apply

Researchers who:

Are serious about moving their research toward real-world use through commercialisation

Want commercial guidance, mentoring, and support

Are prepared to engage fully and consistently

If you're ready to deepen your commercial journey, learn with peers, and explore what your research could become, this programme is for you.
