better  
understanding of  
VE, new ideas”

“Good slides,  
very friendly  
people, very  
well prepared  
sessions”

# International Co-teaching Integrating Virtual Exchange into the University Classroom

Virtual Exchange is a pedagogical activity for engaging students in authentic intercultural collaborative projects with international partners.

The transfer of the concept into your disciplinary teaching conventions, the integration into your course plan, the construction of tasks and the support and mentoring of your students during a Virtual Exchange is focused during the course.

You will meet teachers from different universities all over Europe in this course.

## Session 1

What is Virtual Exchange and integration in the syllabus

## Session 2

Task design - getting your students to work together

## Session 3

Mentoring and support of students

## Session 4

Potential partnerships, reflection
