Installing the app

- Once requested, the app will be shared with you using REDCap, you will then receive two emails to your main email address.
- To download the app, please click on the link provided on the first email.

S Reply

Forward

This file was sent using REDCap. To learn more about REDCap or to see if it is available at your institution, please visit <u>https://projectredcap.org</u>.

Installing the app

• You will be prompted to enter a password, please find that password in the second email and enter it.

[REDCap Send-It] app redcap (::) ••• Tamara Escanuela Sanchez <tamara.escanuelasanchez@ucc.ie> Thu 09/05/2024 15:52 To: Below is the password for downloading the file mentioned in the previous email. TAXXY3J9 ← Reply → Forward

Installing the app

• Once the password is entered, the download will start. The download contains a zip file named NPECCodeGeneratorV2.0NewInstalldistribution.zip

🗸 🕏 🖌	EDCap	×	+						-	O	)
$\leftrightarrow \rightarrow$	C	eredcap.ucc.ie/surve	veys/in	dex.php?passthru=index.php&route=SendItController%3Adownload&6B9C6D00B3498082151659A85	0	≫ ☆	M 💿 💽	) 🔝 🖸	*	0	E
				Send-It: File Download Instructions: To download the file, enter the password that was emailed to you. The password would have arrived in a separate email following the original email containing the link to this page. Once you have entered the password, click the button to begin the file download. If the file is very large, it may take several moments to download, so please allow it to continue to download until it completes. The size of this file is 0.4 MB.	-	Recent dov	wnload histo	vz.0Newinsta	(X)		
				SUCCESS! The file will begin downloading momentarily.	]						

Installing the app

• Please open your downloads folder and extract the folders from the NPECCodeGeneratorV2.0NewInstalldistribution.zip folder. To do that, please right click on the NPECCodeGeneratorV2.0NewInstalldistribution.zip folder and click "Extract all"

Installing the app

- Once the extraction is completed, a new window will open with the extracted folder which has the
  - same name "NPECCodeGeneratorV2.0NewInstalldistribution". Please copy this folder.

Installing the app

- Please paste the folder into your C:\ drive. Now the NPECCodeGeneratorV2.0NewInstalldistribution folder is
  - on your C:// drive. To open your C:\ drive click on "This PC" and then "Local Disk (C:)"
